This card must be physically shown to the school each year.

School Development Fund

The School Development Fund contribution allows us to offer current and future students access to facilities that support and enhance their learning. For 2025, the School Development Fund contribution is set at \$250 per student. Sibling discounts apply to this contribution; however, the contribution is not tax deductible as it is a mandatory payment. Students commencing at any time during a school year shall make the full annual contribution.

Resource Levy

The Resource Levy covers some of the fixed costs of the school's compulsory learning program. It includes but is not limited to items such as excursions, camps, sports, in-term swimming, work experience, online subscriptions and other resources that complement the delivery of the academic program. Students commencing at any time during a school year shall make the full annual levy.

Stationery Levy

All families of students from Kindergarten to Year 6 will have a Stationery Levy of \$150 per student. Students in Year 7-12 will have a Booklist. Students commencing at any time during a school year shall make the full annual levy.

Co-Curricular Activities

Students have the opportunity to participate in co-curricular activities organized by the school and/or in conjunction with community groups. Most of these activities are free, with some incurring a cost.
